

Reporter protection

Following the EU Council and Parliament Directive 2019/1937 of 23 October 2019 on the protection of persons who report breaches of Union law, this organization has created an **internal reporting system**. As part of this system, a person has been appointed to receive and investigate reports on illegal behaviour. (Hereinafter referred to only as “appointee”.)

Illegal behaviour can be reported to the appointee:

- via e-mail: protipravni.jednani@idu.cz,
- via telephone: 00420 770 139 152,
- via a written report sent to: Institut umění – Divadelní ústav, Celetná 17, Praha 1, 110 00 (please mark the envelope: „Do not open, into the hands of the appointee only“),
- in person (a meeting can be set up via e-mail: protipravni.jednani@idu.cz or telephone).

The person appointed to receive and document such reports is an internal IDU auditor.
